## Call for Registration

Multiculturalism has not only made Malaysia a gastronomical paradise, it has also made Malaysia home to hundreds of colourful festivals. It's no wonder that we love celebrating and socialising.

Malaysia is made of West or Peninsular Malaysia with her 11 states and East Malaysia comprising of Sabah and Sarawak. One of Malaysia's key attractions is its extreme contrasts.

Towering skyscrapers look down upon wooden houses built on stilts, and five-star hotels sit several metres away from ancient reefs.

For the perfect conference full of surprises, eclectic cultures and natural wonders, the time is now, the place is Malaysia.
